Greetings

BROOKLYN OFFICE

your Honorable Sir,
I'm writing you in Reference to No. #
In re payment card interchange fee Merchant
Discount Antitrust Litigation
No. 1:05-md-01720 (MKB)(JAM)

Sir all due respect to you but as you
already know I was going to file
a writ of mandamus to Compel
the Court to Compel the defendants to
obtain documents (evidence) so I can
submit my claim, they had to
use this same evidence to obtain
the judgment, evidence I need
to obtain my claim,
I already informed the Court and
lawyers and the class administrator
that this evidence there seeking is
about 14-15 years ago and since
I'm incarcerated it almost impossible
to obtain these documents because
most Banks and even the I.R.S.
Don't keep records But about
few years.

I Did Contact the Chief Counsel with the I.R.S. here in Atlanta Georgia asking them for ^amy copy of my Tax Return filing showing my BUSINESS from 2008-2009. the Chief Counsel ^{MS}Margie Robinson wrote me a letter sent it to my brother Jason Davis telling me that before I compel this Court by writ, or Subpoena to give them 60-days to see if they can find my tax returns from my BUSINESS filings.

I also wrote class Counsel asking them to help, "see enclosed"

Sir at this time I cannot afford an attorney, but I may be able to find one on contingency fees. Because I need to file my claim and am having trouble because documents they are requiring either no longer exist, OR I can't seem to get.

I still have questions as to why there isn't a Base Settlement fee for any claimants who can't seem to produce said documents,

and, Are we all entitled to interest
from master card and Visa from our
money from all these years?
I'm sure they got interest on
the over charging etc.
and what about Compounding
Interest? From master card & Visa.
and what about the interest
where the settlements been kept
in ESrow.?

Sir,
If I was to obtain an attorney
it will prolong this case, because
I'm sure they would want to file
on behalf of all plaintiffs &
(Claimants) and ask some of
the same questions I have.

Sir at this time I'm hoping and
praying that maybe this honorable
Court can order or subpoena
either the defendants to obtain these
documents that are required in
order for me to file my claim
before February 2025.

Thank you & God Bless you for your service

Dear Mr. Davis:

Thank you for your letter received in my office on November 26, 2024.

I understand that you have been attempting to obtain certain records related to a business you once operated so that you can file a claim in the above-titled Action. As Rule 23(b)(3) Class Counsel, I am not able to contact the Internal revenue Service on your behalf or to subpoena any documents on your behalf.

Best regards,

ALEXANDRA S. BERNAY
